Subject: Footrest Kit- Narkomed 6000 Series

A footrest for the Narkomed 6000 Series product has been released and is available for purchase as an accessory. The footrest is offered for both new NM6100's and previously installed systems. The design provides a functional area along the entire width of the system that can be utilized while standing or seated.

Description: Footrest Kit
Part Number: 4117603
List Price: \$425

The footrest is field installed; therefore, Service Labor and Travel charges apply.

Please contact Mary Kyryk at ext. 2619 or kyrykm@draegermed.com if you have any additional questions.
